PITCHES THROWN	REQUIRED DAYS REST
0 - 20	0
21 - 35	1
36 - 50	2
51 - 65	3

If a pitcher reaches a threshold in the middle of an at-bat, they can finish the at-bat at that level. AAA Example: pitch 35 was reached on a batter with a 2-1 count. 3 more pitches were thrown to finish the at-bat. The pitcher will be charged with 35 pitches - 1 day of rest is required. However, **IF A PITCHER THROWS 35 PITCHES IN ONE INNING, THEY ARE IMMEDIATELY REMOVED FROM THE GAME, EVEN IN THE MIDDLE OF A BATTER!**
