

**NBL BABE RUTH DIVISION
PITCH COUNT RULES**

PITCHES THROWN	REQUIRED DAYS REST
1 - 30	0
31 - 45	1
46 - 60	2
61 - 75	3

If a pitcher reaches a threshold in the middle of an at-bat, they can finish the at-bat at that level.

Example: pitch 45 was reached on a batter with a 2-1 count. 3 more pitches were thrown to finish the at-bat. The pitcher will be charged with 45 pitches - 1 day of rest is required.

However, **IF A PITCHER THROWS 40 PITCHES IN ONE INNING, THEY ARE IMMEDIATELY REMOVED FROM THE GAME, EVEN IN THE MIDDLE OF A BATTER!**
